## PROFILE SUMMARY

A passionate Frontend Engineer and Full-Stack Developer with a keen eye for crafting intuitive and engaging digital experiences. Fascinated by technology and driven by curiosity, I specialize in turning creative ideas into responsive, functional, and visually appealing web applications. I thrive on writing clean, efficient code and love bringing designs to life. With a deep commitment to continuous learning, I'm always exploring emerging technologies to enhance user experiences and push the boundaries of what's possible on the web.

---

## SKILLS

### TECHNICAL SKILLS:

HTML & CSS | JavaScript | TypeScript | Python (Basic) | LaTeX | NodeJs | NextJS  
React | React Native | TailwindCSS | Bootstrap | MongoDB | PostgreSQL
